**NOTICE**

Several complaints regarding the indifferent attitude of certain junior members of the Bar are being received at the office continuously, relating to the disrespectful behavior shown to the Senior lawyers and casual dressing manner and submissions before the Courts. It is also noticed that certain junior lawyers are wearing dresses like three-fourth (Calf-length) bottoms, sleeveless blouse causing total disrespect to the mandatory dressing code of our profession. Already a notice was issued on this behalf.

The Senior lawyers of the bar may kindly advice the juniors attached to your office to wear proper uniform to maintain the dignity of our profession. Unless the office of the TBA will be constrained to initiate disciplinary actions against them.
